

26th April 2017

Dear Parent/Carer

Year 10 Steps to Success Evening
Tuesday 23rd May 2017 - 6:00-8:00pm

We would like to invite you and your child to a 'Steps to Success' evening which we are holding on Tuesday 23rd May between 6:00-8:00pm. It will be an informal evening with refreshments available.

The purpose of the evening is to help you support your child during the build up towards GCSE examinations next summer. We are hoping for as high an attendance as possible, as we believe working together is one of the main keys to success.

We have been told by parents that often they feel unable to support their youngster to the level that they would like to, as their school days were a long time ago! During the evening, therefore, you will have the opportunity to attend two workshops:

- Playing My Part (the role of parents/carers)
- Being Prepared (revision techniques)

You will also have the opportunity to visit a 'marketplace' where the University of Nottingham, Pingle 6th form, Burton & South Derbyshire College, a Careers Advisor and professionals involved in mental health, stress, anxiety and sleep patterns will be available for you to talk to on an individual basis. There will also be a stall where you can obtain information about revision websites as well as topics which need to be revised for each subject.

For those of you who are worried that there will be demands made of you, rest assured you can simply come along and listen. We do hope you can join us (with or without your son or daughter). Please complete the slip below and return it to the school office by Friday 12th May as this will help us with planning the evening. We look forward to seeing you.

Yours sincerely

Jo Kingswood
Head Teacher

.....
Please return to the school office by Friday 12th May 2017
